Time:0800hrs

Location: All Units will report staging at
the Weymouth FD. (Station 18-4)
(See Map for Location)

Commander: Bill Collins (609) 780-3935

This is a NON EMERGENCY SPEED drill

Depts. will NOT be dispatched. Each dept will
report to Station 18-4 for 0800hrs. and receive
their assignments there

ALL NJ. Traffic laws will be followed

ALL personnel operating at the fill sites and the
dump tanks will wear proper safety equipment:
turnout boots, turnout pants, eye & hand
protection and proper traffic safety vests.

Fill site #1: Station 18-4 Weymouth

Fill site #2: Station 16-0 Elwood

Fill site #3 Palace Pizza Rt. 322

Fill site #4 Weymouth & Elwood Rds. Bridge

Each fill site will be set up as per division “B” protocol: 2 supply lines to the front of the engine & 2 supply lines to the rear of the engine.

One tender at a time will be filled at each fill site.

NEW DIRECTIVE:

Tenders HEADLIGHTS will be ON when water tank is full & OFF when water tank is empty.

NO personnel will exit the tenders at the dump tanks

At the conclusion of the drill units will report back to station 18-4 for debriefing and released from there.
