The following information will be covered:

- Overview of FirstNet capabilities
- Overview of plan content applicable statewide:
 - Statewide coverage and capacity
 - Deployment schedule by county
 - Cost
 - Priority and Preemption
 - Security
 - Roaming
 - Bring Your Own Device (BYOD) policies
 - Customer service
 - Applications
- Overview of plan content specific to Hudson County:
 - Wireless coverage in county
 - Wireless capacity in county
 - Map data layers

WHO SHOULD ATTEND

This session is recommended for all elected officials or other government representatives, including but not limited to city managers, public safety commissioners and chief information officers. First responders - police, fire, and EMS - including those who are involved with command centers, emergency operation centers, and 911 communications are also encouraged to attend.
