Holiday's with Heroes

Candy COATED Trunk or Treat

Dear Hero,

On October 25, 2023, with the support of OceanFirst Foundation, the Police Activities League of Egg Harbor Township & Atlantic County will coordinate efforts with law enforcement agencies, first responders and military personnel throughout South Jersey to bring the **Holiday with Heroes-Candy COATED Trunk or Treat** event at the PAL Crossplex. **Candy COATED Trunk or Treat** is a one-day event where local heroes, community providers and volunteers will treat children in need, to a safe and fun Trunk or Treat with a special treat of a free winter jacket.

Holiday with Heroes-Candy COATED Trunk or Treat is not just about a Halloween treat. It is about making our children feel loved and cared for while creating memories and a bond with local Heroes that will last a lifetime for some of the neediest children in our area.

We are looking for Heroes that would like to host a table to be a Trunk stop with candy treats for participants. Please contact the PAL office at 609-645-8413 to get registered as a provider participant. We are also asking that you refer needy children that could benefit from the event and a warm winter jacket. Referrals are easy. Send your referrals to the PAL website and ask them to look for the **Candy COATED Trunk or Treat** link to register. Space is limited and youth participants must be registered

We are also in need of funding for decorations, hoodies and costume giveaways. ***100% of your donation is going to help children and families in your area have a Happier Halloween and warmer winter.***

If you would like to donate go to our webpage at EHTPAL.org and click on the **Holiday with Heroes-Candy COATED Trunk or Treat** donation link or contact Hector Tavarez at 609-645-8413 to discuss your participation. Checks can be made payable to EHT PAL and mailed to: EHTPAL 2542 Ridge Ave., Egg Harbor Twp. NJ 08234. Please Note: HWHTT in the memo section! We thank you in advance and hope you have a safe Halloween and warm winter.

Now More Than Ever, Every Kid Needs a PAL

Sincerely,

Captain Hector Tavarez (Retired, EHT PD)
