

Atlantic County Firefighters' Association

"In Union For The Safety Of All"

July 6, 2020

Cancellation Notice: The meeting of the Atlantic County Firefighters' Association scheduled for July 15th, in Linwood, has been canceled.

Even though some indoor gathering allowances are now in place we feel that it is still best to err on the side of caution and hopefully there are improved conditions before the meeting scheduled in August. This is under advisory of the NJ Governor's Executive Orders directing all residents to help reduce the spread of COVID-19 infections. This is in the best interest of our community and members.

The next regular meeting is scheduled to be held at 20:00 on August 19, 2020 in Laureldale, Hamilton Township and the status of that meeting will be communicated during the first week of August.

Attested:

Robert A. Mellon, Secretary
