

Atlantic County Firefighters' Association

"In Union For The Safety Of All"

February 2, 2021

Cancellation Notice: The meeting of the Atlantic County Firefighters' Association scheduled for February 17th, in Longport, has been canceled.

Unfortunately, the indoor gathering allowances in NJ have been reduced and hopefully there are improved conditions before the meeting scheduled in January. This is under advisory of the NJ Governor's Executive Orders directing all residents to help reduce the spread of COVID-19 infections. This is in the best interest of our community and members.

The next regular meeting is scheduled to be held at 20:00 on March 17, 2021 in Sweetwater, Mullica Township, and the status of that meeting will be communicated during the first week of March.

Attested:

Robert A. Mellon, Secretary
