WE ARE THE MOVEMENT.

Over the past two decades, our 3- to 5-mile walks have collectively grown into the nation's largest and most impactful breast cancer movement.

WE ARE THE HOPE.

Since 1993, American Cancer Society Making Strides Against Breast Cancer® events have celebrated survivors and thrivers, bringing people together to help end cancer as we know it, for everyone.

WE ARE THE FUTURE.

Making Strides Against Breast Cancer funds lifesaving breast cancer research and is committed to advancing health equity. It is our belief that all people have a fair and just opportunity to live a longer, healthier life free from breast cancer.
