TRAINING ANNOUNCEMENT FOR FALL 2022 ATLANTIC COUNTY FIRE ACADEMY PROGRAMS

GENERAL INFORMATION

PURPOSE

The purpose of this course announcement is to provide interested students of firefighting with important information about course offerings and the forms necessary for making application. All training will be conducted by, and at the facilities of, the Atlantic County Fire Training Center. Specific information on the content of each course offering is found in the pages that follow.

PREREQUISITES

Firefighting courses are structured sequentially. For this reason, prerequisites have been established for many courses so that each student will have the necessary background to gain the most from each student area. Since many courses build upon the knowledge gained in the prerequisite courses, an unprepared student will not only fail to understand some of the material, but they will also slow the progress of the entire class. Please note that prerequisites are indicated in the course description section for each Academy course. Make sure all personnel are qualified for that class.

If a person has taken a course that is a prerequisite for an Academy course from an institution other than the Atlantic County Fire Academy (ACFA), he or she must supply documentation of this at the time of application. Copies of certificates for those courses must accompany the course application in order to receive equivalency credit for that course.

APPLICATION PROCEDURE

Personnel desiring to enroll into any course must do so through their respective Chief or Training Officer. All applications must be submitted at least 10 days prior to the commencement of the Class. **All information requested on the application must be provided for enrollment. The application will be returned if areas are left blank.** No walk-in will be accepted for any class that is not designated open enrollment. **A check or voucher must accompany each registration form.** Blank registration forms are in the back of this training announcement.

A separate registration form for Firefighter 1 is required along with a completed Medical Form. Both forms can be found in the back of this announcement.

TRAINING ANNOUNCEMENT FOR FALL 2022 ATLANTIC COUNTY FIRE ACADEMY PROGRAMS

CONFIRMATION

No course confirmation will be sent to enrolled students. If the course is canceled or rescheduled for any reason, the contact person listed on the registration form will be contacted. It is the responsibility of the student and sending department to see that either the student or a replacement shows up for the scheduled class. No refunds will be given for registered students who fail to show up.

CANCELLATION POLICY

If you must cancel a person for some reason, you may cancel up to 7 days before the class. If you do not notify the Academy by that time, and the person or qualified replacement does not show up on the first day of the class, the tuition will **not** be refunded.

REFUND POLICY

A refund of the course fee will be made for a student cancellation up to 7 days prior to the start of the course. Refunds cannot be made once the class starts including dropouts. If a course is canceled by the Academy for lack of student enrollment, all fees will be refunded.

SUBSTITUTIONS

Should an accepted student discover that he/she would be unable to attend a course, a substitution may be possible. For a substitution request to be granted, the substitute must meet all the prerequisites for the course. The substitute must attend the 1st class and notify the instructor of the substitution. **Failure to provide a substitute will forfeit tuition paid unless the Academy is notified within 7 days prior to the start of the course.**

WALK IN REGISTRATION

Students wishing to register the first day of class may do so provided the class is not full. If you walk in and the class has already met its enrollment capacity, you will not be accepted. Walk-in registration will be on a first in basis with payment due prior to start of the class.

Unless otherwise noted, only open classes that do not have a maximum enrollment will be allowed to increase.

TRAINING ANNOUNCEMENT FOR FALL 2022 ATLANTIC COUNTY FIRE ACADEMY PROGRAMS

PHYSICAL CONDITION OF STUDENTS

No student shall be admitted to class with any physical and/or other condition that would prevent them from safely participating in class activities. No student shall be given credit for any unit of instruction in which he or she did not or could not actively participate. Students who do not actively participate in any portion of the class will not be given a certificate of completion for the class and will not be eligible to return for other courses for which the completed course is a prerequisite.

All students participating in a class requiring the use of a SCBA will be required to sign a SCBA Face Fit Certification Form found in the back of the booklet certifying that they are physical fit to take the class and have received a mask fit test in the last 12 months.

FIRST SESSION REGISTRATION AND ATTENDANCE

Registration will be conducted at the first-class meeting of each course. For several courses, attendance at the first class is mandatory, for other classes, the first class may be missed, but only with advance permission from the Academy. Students who are not in attendance for mandatory first-class meeting or without prior approval to miss the first class will be dropped from the course. There will be no refunds for those who fail to attend the first session. Substitutions are allowed; refer to the section on "Substitutions".

Students are responsible to sign the roster for each lesson to receive credit for that lesson. Make-up students are responsible for signing the roster with their original class number, to receive credit. Please inform the instructor that you are making up a class from a previous course.

Students shall not leave the Academy prior to class dismissal without permission from the instructor in charge of the class.

MAKE-UP POLICY

Any students who have missed classes/modules in Academy courses have two (2) years from the date the lesson was missed to make up the lesson. This is especially important for Firefighter I in which attendance of all modules is mandated by the State of NJ.

The procedure for make-ups will be as follows:

1. The student shall check the student handout to make sure of the date of the make-up class. For students making up Firefighter I classes, a copy of the semester schedule is provided in this announcement. Students should call 609-407-6743 to verify that class has not been changed.

TRAINING ANNOUNCEMENT FOR FALL 2022 ATLANTIC COUNTY FIRE ACADEMY PROGRAMS

2. When signing the roster that student shall print clearly his or her:
 - a. Full legal name
 - b. Fire Department/Company represented
 - c. Course number of the original class
 - d. Signature

DRESS CODES

BEARDS & SELF-CONTAINED BREATHING APPARATUS

In accordance with N.F.P.A. 1500: 5-3.10, “Standard on Fire Department Occupational Safety and Health Program”, and OSHA 29 CFR 1910.134, the Atlantic County Fire Training Center policy prohibits training individuals with facial hair that interferes with the face piece seal on positive pressure self-contained breathing apparatus in those courses where S.C.B.A. must be worn. Those students with beards, or such facial hair **that does** interfere with the face-to-face piece seal may **not** participate in some blocks of instruction and, therefore, cannot be given credit toward completion of those courses.

PERSONAL PROTECTIVE EQUIPMENT

Many of the courses offered at the ACFTC require each student to actively participate in actual firefighting evolutions, (live fire burns, and other practical evolutions). Each student involved in these training areas must provide and wear their own personal protective equipment (PPE). Except for flashover training, the academy cannot loan firefighters PPE to those improperly prepared. PPE shall include the complete and proper wearing of approved boots, turnout coat and pants, leather gloves, helmet, and eye protection, and Nomex or PBI hood. All this equipment must meet the NJ PEOSHA PPE requirements for firefighters.

The ACFTC will not be responsible for PPE or other department/company equipment damaged during training activities. Any reimbursement or replacement for damaged equipment should be submitted to the department/company's insurance company.

The wearing of jewelry by students to class is discouraged. Jewelry that can be removed **must** be removed and secured by the student prior to participating in outdoor activities. The ACFTC will not be responsible for lost jewelry.

SCBA USE

In all courses/classes requiring the use of SCBA, it shall be the student's responsibility to bring a full spare cylinder with each SCBA. Please make sure that the SCBA and Cylinders are **MARKED** with your Department/Company identification prior to use at the ACFTC. All SCBA used must be properly

TRAINING ANNOUNCEMENT FOR FALL 2022 ATLANTIC COUNTY FIRE ACADEMY PROGRAMS

hydrostatically tested. Any unit failing inspection will not be permitted to be used and the student will not be permitted to participate and will not be given credit for the class.

All students participating in training that puts them in an IDLH atmosphere must provide a signed **SCBA Face Fit Certification Form** by their fire chief and bring it to the start of the course they are participating in. The Student Certification part of the form will be filled out prior to the start of the class in front of the lead instructor. A copy of the form is available in the back of this course announcement.

CERTIFICATE OF INSURANCE

Each participating Department/Company must have current proof of liability and workmen's compensation insurance and indemnification on file at the ACFTC. Certificates can be sent to Director of Training, ACFTC, 5033 English Creek Avenue, Egg Harbor Township, NJ 08234-5743.

FINANCIAL RESPONSIBILITY FOR MEDICAL TREATMENT

Any payment for any and all medical related charges will be the responsibility of the sponsoring organization or the student's fire department.

USE OF ATLANTIC COUNTY FIRE ACADEMY FOR LIVE BURN OPERATIONS

Any fire company/department inside or outside Atlantic County may use the fire academy for live burn operations. The procedures are as follows:

1. Obtain any facility application from either the Atlantic County Firefighters' Association website, atlanticcountyfireassoc.org, or call 609-407-6743 to have one faxed to you.
2. Fill out the application picking two dates and times that you want to burn.
3. Submit the application to the fire academy by either fax at 609-407-6745 or mail to the address listed on the application.
4. The dates you requested will be checked for availability and you will be contacted if they are available.
5. Due to the changes in NFPA 1403, Live Burn Standard, you will have to pay for 4 academy instructors to run your burn.

TRAINING ANNOUNCEMENT FOR FALL 2022 ATLANTIC COUNTY FIRE ACADEMY PROGRAMS

6. You must also provide a dedicated EMT with a trauma bag, & defibrillator. If you do not have one, the academy will provide one at the instructor cost.
7. The fee for using the burn building will be as follows:
 - a. In county: \$20.00 per hour per instructor, plus straw @ \$6.25 per bale.
 - b. Out - of - county: \$25.00 per hour, per instructor, plus straw @ \$6.25 per bale.

OTHER SEMINAR OFFERINGS

From time-to-time other seminars will be offered that are not listed in this bulletin. You will be notified by the Academy as to the dates and times as they become available.

FIREFIGHTER I: RULES AND REGULATIONS

1. All evening classes start promptly on time at 7:00 p.m. All daytime classes start promptly at 8:30 a.m., unless otherwise specified.
2. Students will not leave class or drills prior to being dismissed.
3. All turnout gear must fit properly, be free of rips and tears, and be PEOSHA approved as per P.L. 1983. Your gear will be inspected by your instructors for compliance.
4. Beards or excessive facial hair are not permitted. Anyone having such will not be permitted to attend Firefighter I.
5. All classes are mandatory. You must attend every class to complete your training and receive a certificate. **NO EXCEPTIONS.** You have 2 years from the date your class ends to make-up classes that were missed. Failure to sign the sign-in sheet will indicate that you were not there, and you will have to make up the class even if you say you were there.
6. Any student missing more than 10 classes in one semester will not be eligible to take the final exam and must repeat the course and pay a tuition of \$250.00.
7. Any Student missing SCBA Drill II & HNA Drill II will not be able to attend the live burns.
8. All radio pagers and cell phones shall be in the "off" position during class. Violations will result in your phones be left on a table at the door.
9. There is to be no food or drinks outside the cafeteria in classrooms or hallways. Water is an exception and may be taken into the classroom.

TRAINING ANNOUNCEMENT FOR FALL 2022 ATLANTIC COUNTY FIRE ACADEMY PROGRAMS

10. Students are responsible for maintaining any books, equipment, apparatus, or buildings made available for their use.
11. All students must be prepared for class and have any homework assignments completed. This also means bringing a pencil/pen and something to write on.
12. Students are required to police the classroom and training grounds at the end of each training session. This includes the area around their seat and to push their seat in under the table when they leave. These facilities must be left the way we found them.
13. Students must receive a 70% passing grade on final examination. Any student, who fails the State exam, will have two more opportunities to pass before they must repeat the entire class. The scheduling for such exam will be at the discretion of the NJ Division of Fire Safety through petition from ACFA.
14. Any student who has a learning disability is to notify the lead instructor in charge of that training or the Training Director. The ACFA does not provide oral examinations for written exams.
15. There is to be absolutely no horseplay or disturbances in class or on the training grounds as this could lead to unsafe conditions and injury or possible dismissal from course.
16. Injuries of any nature incurred during training, either during class or on the drill-field, must be reported immediately to the Lead Instructor in charge or his staff. Accordingly, the respective Fire Chief will be notified.
17. Students will come dressed properly for class and training. No shorts, jeans, flip flops or open toe sandals. All students are required to wear their golf shirts during classroom presentations and their tee shirts during all outside training. Also, all students are to wear a dark blue or black pair of uniform pants with black boots. Students will be given one exception if not dressed properly, after that they will be asked to leave class. After a third violation they will be dismissed from class permanently. During drills, students are to come dressed properly but may wear their T-shirt. A fire company sweatshirt may be worn over T-shirts during cold weather.
18. No tobacco products will be permitted in any buildings and may be used only in areas designated by the instructors on the drill field.
19. Students must have a copy of their Municipality's Insurance Coverage on file with the Atlantic County Fire Academy.
20. The County of Atlantic has a "Zero Tolerance" policy on sexual harassment. Any student found breaking this policy will be dismissed from class permanently.

TRAINING ANNOUNCEMENT FOR FALL 2022 ATLANTIC COUNTY FIRE ACADEMY PROGRAMS

21. If anyone is suspected of being under the influence of alcohol or drugs, they will be removed from the classroom or training evolution. The ACFA has a “Zero Tolerance” policy. You will be given one violation. Two violations of this rule will result in removal from class.
22. No sleeping will be permitted during class. If you sleep, you will be required to make-up the class.
23. All students are to be familiar with the training cites, emergency exits, and the emergency evacuation signal during any hands-on training.
24. Please keep your attitudes and opinions at the door when you come in. You are here to learn how to be a firefighter. We know what we are doing, so just sit, be quiet, ask questions, and learn.

FIREFIGHTER I AGILITY TEST (NEW)

All firefighters who want to attend Firefighter 1 at the Atlantic County Fire Academy must pass an entrance test consisting of an agility test, ladder climb, and maze crawl. Below are two drawings of the agility test and maze crawl.

TRAINING ANNOUNCEMENT FOR FALL 2022 ATLANTIC COUNTY FIRE ACADEMY PROGRAMS

FLASHOVER AWARENESS

Course # FOA * F-22

(Insert date in space, e.g. FOA-9-26-22)

The Atlantic County Fire Academy is excited to be able to deliver one of the premier training experiences that provides firefighters with the best live fire training program currently available to the fire service.

The Simulator known as the "Can" is a laboratory, designed to provide firefighters with a safe and secure system to recognize the signs of a flashover. The burning of Class "A" combustibles will take place in the burn chamber, located three feet off the ground. Firefighters will be able to witness a fire grow from an incipient stage to flashover conditions. As the combustibles burn, the interior instructors will have the ability to control the conditions inside the simulator through the combined use of ventilation and "pencil of water." It is through this management that firefighters can experience a safe observation of a flashover. Students will attend classroom instruction prior to entering the simulator.

Key points of the system include incipient phase of the fire, fire growth, smoke production, high- and low-pressure zones, thermal feedback, rollover and then, flashover. There will be multiple flashovers (6 - 10) before the fuel load is depleted.

PREREQUISITE: Firefighter Level I

Class Limit: 12 Students

Class Hours: 4

Class minimum: 9

Location: Fire Training Center

Fee: \$50.00

MODERN VEHICLE EXTRICATION HAZARDS FOR FIRE DEPARTMENTS

Course #: MVEH-F22

Did you know that there are up to 18 airbags in some cars today? Did you know that some electrical systems take 10 minutes to power down, even if you have disconnected the battery? If you did not know the answers, or even if you did, this class would review all the new technologies that are present in recent model cars/trucks/SUVs. The dangers these technologies can have on Fire Department responders performing extrications as well as ways to avoid the dangers are discussed.

The sections in the class include incident command basics, multiple battery locations, safely identifying and neutralizing seat restraint systems, airbag locations and their firing systems, hybrid vehicle familiarity and cutting techniques needed with the new exotic metals.

SIZING UP THE INCIDENT

Course #: SUI- F22

“A picture is worth a thousand words.” The initial report and scene size up should paint this picture for all responding units without using a thousand words. Every emergency scene requires a size up, the fire ground, EMS scene and the hazardous materials incident.

How is this done? With as comprehensive of an on-scene report as possible.

The class will cover the various components of the scene size up and to what level each factor can or will impact an incident, giving the students the tools to paint an accurate and compressive picture. There are 3 areas that need to be covered by the initial unit to arrive at the scene to obtain this graphic picture.

1. What have I got?
2. Where is it going and what can I do about it?
3. What do I need?

PREREQUISITE: Firefighter Level I & the desire to operate on a safe fire ground through critical observations.

Class limit: 30
Class minimum: 8
Location: Fire Training Center
Date: November 5, 2022,
Saturday: (8:30 am - 4:30 pm)
